Special Olympics
North Carolina

Welcome to Special Olympics North Carolina!

Special Olympics North Carolina (SONC) is a non-profit organization which provides sports training and competition for nearly 40,000 children and adults with intellectual disabilities. In North Carolina, 19 sports are offered on a year-round basis; sport offerings vary by local program (primarily county).

Special Olympics was created by the Joseph P. Kennedy, Jr. Foundation. Special Olympics North Carolina is authorized and accredited by Special Olympics Inc. and is licensed by the Secretary of State's office with the State of North Carolina and is a 501(c)3 organization as determined by the Internal Revenue Service.

Special Olympics athletes get continuing opportunities, to develop physical fitness, demonstrate courage, experience joy and participate in a sharing of gifts, skills and friendship with their families, other Special Olympics athletes and the community.

To become a Special Olympics athlete, contact the local program in your county. A full list of contact information is available on the Web site at www.sonc.net.

Athlete Eligibility

Special Olympics training and competition is open to every person with an intellectual disability who is at least eight years of age. There is no maximum age limit. Eligible individuals must be identified by a medical agency or professional as having an intellectual disability. Some Special Olympics athletes may also have a physical disability, but it is their **developmental** disability that qualifies them to participate in Special Olympics.

Children who are ages two through seven may participate in the Young Athletes Program (there is a different registration form available on the SONC Web site for this program).

Application to Participate Procedures

To become a new athlete or to renew every three years, the following forms need to be completed:

- ☐ **Information Form (1 page):** This form asks for basic information about the athlete.
- ☐ **Release Form (1 page):** This form goes over some important details about Special Olympics participation and requires a signature.
- ☐ **Health History Forms (2 pages):** This section captures health history in order to identify health concerns. This section must be completed by a parent/guardian or an adult athlete who is his/her own guardian. If you do not understand any parts of the form, leave them blank to discuss with a physician during the exam. The person completing the form needs to fill in their contact information on the bottom of the second page.
- ☐ **Physical Exam Form (1 page):** This form should be filled out by a licensed medical professional (physician/doctor, registered nurse practitioner, or physician assistant).

The Release Form and the Medical Form instruct you to complete other forms in certain situations. Those will be sent out to be completed on a case by case basis.

Please submit registration forms to your local program coordinator – contact information can be found at www.sonc.net.
