We would like to offer the opportunity for special individuals in our community and others to explore our area as well as surrounding counties together. We are offering a day camp with various activities and programs and these dates are inclusive, so grab a friend, family member or caretaker to join you, basically this is open to anyone that would like to participate and pay the \$30 fee.

This will offer a chance for social interaction in the community as well as provide some interesting and informative programs at many locations.

We have a trip planned to the Port in Wilmington, which requires an ID card, so please be aware this is necessary to participate on July 11th.

The daily fee is \$30 per person for all interested participants which covers activities, lunch and a snack.
